

**Extracurricular Activities
Student Drug Testing Consent Form**

Statement of Purpose and Intent

Participation in school-sponsored extracurricular activities at Altus Public Schools is a privilege. Activity students carry a responsibility to themselves, their fellow students, their parents, and their school to set the highest possible examples of conduct, which includes avoiding the use or possession of illegal and/or performance enhancing drugs.

Illegal and/or performance enhancing drug use of any kind is incompatible with participation in extracurricular activities on behalf of Altus Public Schools. For the safety, health, and well-being of the student of the Altus Public School District, the district has adopted the student drug testing program for extracurricular activities policy and this consent form for use by all participating students at the junior high school and the high school levels.

Participation in Extracurricular Activities

The coach/sponsor/administrator shall provide each activity student and the parent or custodial guardian of such student with a copy of the policy and the consent form, which shall be read, signed, and dated annually, before the student shall be eligible to practice or participate in any extracurricular activity. Upon reaching the age of 18 years, the activity student shall be required to sign a new consent form in order to participate in any extracurricular activity. This consent shall be to provide a urine sample: (a) when chosen by the random selection basis: (b) at any time requested based on reasonable suspicion to be tested for illegal or performance enhancing drugs. No student shall be allowed to practice or participate in any activity governed by the policy unless the student has returned the properly signed consent form.

Student's Last Name _____ First Name _____

After having read the "Student Drug Testing Program," policy and this consent form, I understand that, out of care for my safety and health, the Altus Public School District enforces the rules applying to the consumption or possession of illegal and performance enhancing drugs. As a participant in an extracurricular activity, I realize that the personal decisions I make daily in regard to the consumption or possession of illegal or performance enhancing drugs may affect my health and well being as well as the possible endangerment of those around me and reflect upon an organization with which I am associated. If I choose to violate school policy regarding the use or possession of illegal or performance enhancing drugs any time while I am involved in in-season or off-season activities, I understand that upon determination of the violation, I will be subject to the restrictions on my participation as outlined in the policy.
