

“THAT ALTUS BAND”

Band Announcements

WE DID IT! Our first performance is under our belts and now we are in it for the long game. I am extremely proud of every one of you and thank you for your efforts. We have an extensive list of things to fix concerning the set up of the show and MANY pages to learn before anyone sees it again. BTW, I loved the creepy door opening sound at the end of production 1. We also will build props this week and start using them in rehearsal next week with production 2. We are going to “reset” and repeat” a ridiculous amount this week, please do not get frustrated. Just because you have your part down doesn’t mean that the other 122 do. Be patient and positive in rehearsal this week. The goal is to rehearse correctly so much that you cannot make a mistake. Students, a great many of your parents have helped with uniforms, concessions, equipment and many other things to get us started this year. Give them a big thank you and a hug!
